TRACK & FIELD ARRIVAL PROCEDURES

On behalf of our church and school, welcome to Calvary Christian Academy. This past summer, our school spent approximately \$500,000 on our track complex, including a new track surface, permanent javelin runway, and new hurdles. We ask that you help us protect this investment by limiting traffic on the track, keeping all vehicles, carts, and equipment off the surface, and using only ¼ inch pyramid spikes or smaller while at the facility.

Please review the information in this packet to help us maintain our facility and serve all of our guests well.
